HISTORIA

On the origin of this and other preparatory drawings for *The Caprices*, see the commentary on the first of them, corresponding to Caprice number 1 (*Francisco de Goya y Lucientes, painter*), and on the one corresponding to Caprice 3 (*The Coconut is Coming*).

Line of provenance of this drawing: Javier Goya; Mariano Goya, 1854; Valentín Carderera, ca. 1861; Mariano Carderera, 1880; Prado Museum, 1886.

ANÁLISIS ARTÍSTICO

Preparatory drawing for *Caprice 43, The Dream of Reason Produces Monsters*, which in turn is based on *Dream 1: Universal Language*. On the recto is the preparatory drawing for *Caprice 6, Nobody Knows Each Other*.

As in the print, Goya is shown seated and reclining on a table, in this case carved with mouldings and with nothing on top of it. His head is also tucked between his arms, although a small part of his face is slightly visible. Next to him, leaning on the seat and on a painter's suitcase, is a copper plate that seems to represent one of his earliest engravings, *the equestrian portrait of Margaret of Austria*.

From its head emanates a beam of lightning from which emerge faces and animal and human heads, some of them deformed, laughing and moaning. Among them all is a self-portrait of Goya, with his face almost straight on, which is arranged at an angle to another.

On the right a series of bats fly overhead, above them a dog and part of a donkey's head with its front legs, and, next to Goya, a lynx that has almost disappeared.

EXPOSICIONES

The changing image: prints by Francisco de Goya

Museum of Fine Arts 1974

From October to December 1974. Exhibited also at The National Gallery of Canada, Ottawa, January to March 1975
